Thriller - Two Chicano brothers, Estaban and Raul, grow up hard on the streets of Los Angeles. Their father is executed for a failed drug deal when "She has no plan" is the name of the biography of a girl who was supposed to become a star of the first magnitude, but her career stopped in an instant. The heroines of the film become the same prisoners of circumstances and their feelings. . Unlike, the film is a drama. There is nothing supernatural about it, there is no action in it, and everything takes place on the streets of Los Angeles. This is quite a typical movie, with quite a typical actors. But nevertheless, the film touches to the core and leaves a mark on the soul.
