The Double Treble team would like to thank everyone who provided their assistance. This also includes everyone mentioned and those too small to be named. We particularly look forward to reading what YOU have got to say. We have got ourselves all settled. Going over our notes, taking it all in. It was surprising to realise just how much stuff our time holds and once again we are met with new information and facts to add to an already well documented story line. We hope you enjoyed the journey and hopefully now we can move on to the next century. Paul Mancuso Hooligan Connections Former English Premiership player and one of England's greatest ever goalscorers in the 1970's Joey Mancini. Joey Mancini before his debut with Leicester City. Former England international and Leicester City legend Andy Rowe. When asked how he started hooliganism, Andy replied with a simple 'It was an accident really, an act of madness. But, given he was a kid - and a short one at that - I suppose it was inevitable that there would be some form of hooliganism by him at some point in his life. He was a bit of an enigma. An enigma on and off the pitch! Although the Mancini family claims that he was never involved in hooliganism, the official biography of Joey Mancini by Peter Davies states that he was well known for associating with an outfit of hooligans who went by the name of Queen's Rangers. As the story goes on:One of Joey's best friends was a lad called Frank Baker who was also known to his pals as Sailor. Sailor was the
