Producer Harish Shankar's first directorial venture, Alaipayuthey, in which Haasan will be sharing the screen with Sushmita Sen, will be released on August 24. The film is also dubbed in Hindi and other languages. The 51-year-old actor has two more releases due for release later this year - Ko and Yaavarum Nalam. Favourite on-screen partner: Haasan says he would rather talk about Sushmita but acknowledges it's better when he can defer to the other actor. "I have shared screen space with her before - it's all work and no play on the sets. I like to read her lines first so that I can comfortably talk to her," says Haasan. Even though the duo has worked together on several films, it's an entirely different experience for them in their first outing as lead actors. The initial day of shooting was really difficult for Haasan. "The initial days were difficult when we shot for the first time in front of a camera in over 10
