"The City Where Coffee is King" is a choice-rich, visual novel set in a steampunk Victorian reality. Caffeine is a story that will keep you questioning your world, and all that is in it. Experience the story of Taka and his friend as they travel to the city of Victoria in search for his mum. What they find there will change their lives forever. Caffeine: Victoria's Legacy is available from the official website.

\*\*\*\*\* Important Note: Caffeine: Victoria's Legacy is still in development and undergoing much testing. After we move into the final stages of development, we will be able to ship a final product to users on Steam. Until then, we will be keeping both the comments and reviews on our website and our store page private so as to prevent any possible spoilers. Earlier this month, we announced Caffeine: Victoria's Legacy, a visual novel set in a steampunk Victorian world. Today, we are happy to take the first step in announcing our pre-order start date. "A Game of Patience" is the first in the new "Caffeine Series," which will follow each other chronologically. That means that on February 24th, 2017 you will be able to pre-order Caffeine: A Game of Patience and experience the story's prologue in both Japanese and English. Throughout the next few months, we will share more information about this project (including much more detailed information about Caffeine's world and story) through our Facebook page and Twitter, and we will also be holding interviews. So, stay tuned for more details! Available for Pre-Order: February 24th, 2017 Pre-Order System Opens! Join the Caffeine: A Game of Patience pre-order now to experience the prologue, which will be available in both English and Japanese, for a special pre-order price of 4,000 Yen (approx. 42 US Dollars). Pre-Order purchases include a digital artbook containing special illustrations, as well as a wall scroll featuring the world of Caffeine. You select the "House" page and start the game, you have 10,000 dollar bill to use the game. Start the game and select the House page by clicking on the blue colored house icon at the bottom of the screen. Then select the House here. From here you select your starting point which will either be the living room or the bedroom or other one that you prefer to start from. You will also be presented with five items listed out. These are the Roles. You have to also select what Roles you want to wear. So you will select the one that you prefer. The five are as follows. Plumber - You are a well known plumber who has been fixing people's houses since years. You have a \$5000 bill that you want to pay for that. Father - He is the father of the house. He is very powerful and good at fighting. He will not let you to leave the house without being defeated. Athlete - You are an athlete who has been winning most of the races in this town. There is not one person in town who has beaten you in a race. You are therefore very rich and you will not leave the house without being defeated. School Teacher - She is the school teacher in the house. You have to get her to teach you so you can pass school. This is why you need to do everything in your power to keep her alive. Cook - You are a very famous and rich chef. There are only two other people who make better food than you. There is only one way to make good food. You also need to clean all the messes in the house. If you dont do that, then you wont be able to cook anything. House Owner - You are the owner of the house. You love the way it is, but people complain when it starts breaking by itself. So you have to fix it. You should also select one of the game modes here. There are two game modes that you can choose. These are "Handicap" and "Hard". You can choose one of these if you want to play without having too much difficulty in accomplishing your mission. Select the game mode you want and then click on the next button. An audio "Get To" will start. You are going to start walking toward the house. When you get close enough, the game will tell you if you are too far away from the house. If you are not, then

## **What's new in Game Of Puzzles: Nature:**

**- Full Screenshots - v1.0.1 SKELLET SCRAMBLE DELUXE IS OVER! KICK ASSICINATOR - To play the best RPG ever, you must kick ass. And you can also kick ass better than the best dead metal skeleton scumbag ever. Now you can kick ass with two skeletons at a time. Drag and drop the skeletal butt who'll kick ass at a time. Hit him and he'll lose all his health. You can use spells to boost your health, cast diseases on skeletons for extra pain and drag skeletons to another level. You can move your skeletons easily around the dungeon and send him into all kinds of crazy suicidal activities. RACE FOR THE DOOMY CHARIOT - With level up achievements there's something for everybody to earn. Run away horses with the scurried skeletal assholes and die for higher achievements. CHARGE THE PIKES - After each successful level up the Pikes will rise and they cost more and more. Be carefull that you don't drop them down! CHARGE THE DEATHWISHES - The more skeletons you kill, the more Deathwishes you will gain. Use the counters to easily track all the moves of all living skeletons while you do the most "Skeleton Mash" ever! TURN THE MAPS MENTALLY - Watch out you aren't going to sink to get to the little skeletons or to the high ones. They will just get the heck out of your path. So try your best to make safe moves and don't ignore the witch's little jesters. Finding a safe way on the map can take you several tries. UPDATE WOODEN DUNGEON CHARS - There's a lot of different new gruesome wooden characters for you to kick ass with. Rot, fell, rip, crush, and grind them all! SUBLIMINAL MIND CONTROL - Make your skeletons scream and tell you exactly what movement they are doing. Or make them crawl on their hands and knees instead of making them go and die - you choose! PLEASE TELL ME WHAT IN THE NAME OF ALL THE TALENIES DO YOU DO TO THESE SKELLETS????? WHAT'S NEW REDESIGNED SKELLET SCRAMBLE DELUXE PANEL Redesigned backend, cleaner panel, and much better spell aiming.**
