Game Title: Elden Ring Developer: Mobage, Inc. Platform: Android, iOS Release Date: Out Now! Ever since the day of the Thargoids, a race of hostile aliens that came to destroy the human race, the Elden Ring has been protected by a magical shield against the attacks of the Thargoids. The Elden Ring is located in the Lands Between, a vast world between different reality where various kinds of creatures inhabit. You are given the power of creation, and you are given a hero soul. You are expected to use the power to establish the Elden Ring and protect your village, even if that means fighting a world of monsters and robots! The deepest fantasy world with a huge cast of characters created by legendary manga author Mashima Hajime is reborn in a completely new context! \* Features: ♦ Android and iOS games designed by Mobage, Inc. ♦ The Gods of Game Creation - Delight in the work of a different development team under the supervision of Mashima Hajime. ♦ The History of Mashima Hajime and New Manga Novel - The history of the Legends of Mashima Hajime translated from the Japanese manga and the history of the new manga authored by Mashima Hajime. ♦ The Tale of The Thargoids - Learn about the history and development of the Thargoids, the race of aliens that were supposed to destroy the human race. ♦ The Story of the Elden Ring - The story of the ancient battle between humans and the Elden Ring that we got to know through volume 14 of the original manga. ♦ A Dramatic Setting - In the Lands Between, a vast world where monsters and robots inhabit, you will be able to adventure by yourself or play the game with up to three other people. ♦ All-New Different Classes and Skill Tree System - All classes have their own class skill tree, and you can develop your skills through leveling them. ♦ Asynchronous Online Play - The game features asynchronous online play that allows you to choose your own time and enjoy the game at your leisure. ♦ A Full Soundtrack - An action adventure game with an original soundtrack. ♦ Various Items and Titles - The strongest weapons, the hottest items, the most luxurious of clothes, and so on! Other Notes: □ This game does not support mobile payments. You will receive regular updates and

### Elden Ring Features Key:

**Play Online Versus Others All over the World** The online Elden Ring game allows players all over the world to play, explore, and participate together. By unifying cities, we can make a game that even if you play from North Korea and South Korea, in North America, Australia, and elsewhere, you can play with others all over the world. Want to meet with someone strange? Even then, it is possible to play. Online map.

**Play with friends online Multiplayer** Play together with your friends or people all over the world. Also, in this Multiplayer, you can join a battle to get experience points (EXP). If you are not enough EXP, you can follow a battle and get more EXP with it. Using battle.

**Explore a Dynamic Multiverse through Item Trades** You can use item as a currency to buy an item in an item trade. You can also sell your item to NPCs. Trade.

**\*This game is about cutting rope with other rope, and such things are part of engaging in the game. Those who say they wish for Sword Art Online come into a truly inconceivable challenge.**

**\*We will do our utmost to provide the best service possible for the game by launching a game early. If the service situation becomes undesirable, a log-in operation will be implemented. We apologize to those who may be inconvenienced.**

**\*Trading between NPC merchants are not a feature of this**

## **Elden Ring [Win/Mac]**

Play up to three characters simultaneously, and link them together.

- Tamed and Wild Dimension In the Elden Ring game, the tamed characters appear in the Wild Dimension, while the Wild Dimension is available for the Tamed characters. In addition to this, before the player completes the main story, a “Tamed” area and a “Wild” area with similar custom content appear within the default world.
- Direct Link Between Players Players can freely switch between the Tamed and Wild Dimensions without having to close and open them again.
- Returning Functionality Players can enjoy a vast world with no loading screen, no character limit, and no screen transition.
- Tour Mode Starting from April 23, the new Tour Mode allows players to experience a quest with a group of characters, while customizing the route and the characters.
- New Social System Social links such as friendlist, guild missions, daily quests, and VIPs can be acquired by meeting certain requirements.
- Customize Your Playstyle You can freely customize your own play style by combining weapons, armor, and magic, and equip them to your character.
- New Interesting Elements Defeat your enemies with a war strategy, or freely roam and discover new areas.
- Random Events By triggering events, you can gather useful rewards, such as the exclusive items, signature items, and high-valued items for characters.
- Special Quests There are special quests that require you to complete certain goals.

Q. About the Tier System To increase the difficulty of the game, you can acquire higher Tiers.

1. Tier The Tier determines the difficulty of the mission and the items you can obtain. There are three Tiers: — Normal Tier — Advanced Tier — Extreme Tier A. Normal Tier The Normal Tier is intended for players who wish to test out the world of Elden Ring. — Missions In the Normal Tier, the difficulty of missions ranges from easy to hard. — Mastery The Mastery of your characters increase by completing the respective quests. — Items In the Normal Tier, the average number of items you receive from winning is 5, while the maximum is 10.
2. Advanced Tier The Advanced Tier is intended for players who wish to experience the world of Elden Ring and wish to obtain the exclusive items and items exclusively obtained
