Seems like an impossibility to me. ~~~ tedunangst At the very end, it says "The team thought they were doing the right thing by conserving fossil fuels, not realizing just how far reaching the effects of global warming would be. Mr. Rice went so far as to justify burning fossil fuels as a strategy to save the Earth. "Burning fossil fuels is not environmentally harmful," he said, "It's dangerous for the planet because it's increasing CO2. It's using up what little time we have left."" And do you think that I am a good man." "You know my evil." "You know I killed my wife!" "I killed my wife!" "Do you think I am a good man?" "Please" "I am a good man." "But my evil is not to kill." "You know my evil." "You know I killed my wife." "You know my evil." "You know I'm not good." 6d1f23a050
