Alien Shooter 2 The Legend

alien shooter 2 - the legend contains three main game modes: campaign, survival and endless. the campaign mode features a variety of missions, which gradually increase in difficulty. these

missions, usually mission 2 or 3, are designed to teach the player the rules of the game and the controls. the survival mode is a good place to start if you are a beginner, as you will not be able to use the d-pad or fire your weapon, but you will have to use the

mouse to shoot, and you will be able to upgrade to the next level when you are killed. you will be able to use your drone and fuse to upgrade your weapons in the survival mode. finally, the endless mode is a great place to practice your skills, as you will not be

able to upgrade anything in this mode. horses appearance starts from the fifth level of the game, with armor on. these aliens are the fastest of all, with the fastest speed and the shortest run, but their attack power is the lowest and health the least. yellow ones

shoot plasma, red ones shoot plasma and lasers, blue ones shoot missiles and lasers, and the orange ones shoot laser, missile and explosive. dwarves appearance starts from the ninth level of the game, without armor. these aliens are the smallest of all, with the

lowest attack and health, but they run faster than all. blue dwarves shoot plasma, orange ones shoot plasma and lasers, red ones shoot lasers and the green ones shoot rockets. chapter 1: the beginning, the good old days (11 levels) chapter 2: the beginning, the

not so good old days (5
levels) chapter 3: the
trek to the alien's lair (5
levels) chapter 4: at the
alien's lair (5 levels)
