What's New In?

Adobe Flash. This product is a stand-alone product that requires the Adobe Flash Player plug-in, which can be downloaded for free from the Adobe website. Similar news: Exchange Server 2010 Beta 3 Released (February 3, 2012) — The Exchange Server product team has released Exchange Server 2010 Beta 3. This release is the first of the final releases that will be issued for Exchange Server 2010 Beta 2. We have had to make some changes to address early feedback for the Exchange Server 2010 Beta 2 (RTM) release. For this release, we have removed a .NET Framework feature that is not required for the Exchange Server to function and we have made a change to how the .NET Framework is downloaded and installed on the Exchange Server. ...
